

Triggers & Thresholds Meeting

June 14, 2007

DANR Building/UCD

Olive Room

10:00am - Noon

Purpose:

To review UCST feedback on the format/content and next steps in working with the public to identify potential triggers and thresholds.

Process:

Dave Saah & Kim Rodrigues – overview of recent UCST meeting/discussion.

Kim Rodrigues – share emerging PPT plans for UCST and for “normal” NEPA process on the Ranger Districts associated with the project treatments to coordinate T/T activities.

Update on other UCST activities.

Update on Neutrality Statement developed by UCST.
