

SNAMP QUARTERLY MEETING – Q1 2011

Agenda

Date and time: Thursday, April 14, 2011 1:00- 2:30 pm

Call in number: 1-866-737-4067 Passcode: 4378397

Meeting Purpose:

- Provide direct communication between UCST and MOUP on a quarterly basis, as committed.

Desired Outcomes:

- Shared understanding of the status and issues of agenda items; seek feedback from UCST and MOUP; and identify next steps as needed.
- Report progress of UC Science Team.

1) Budget (Battles) 1:05-1:15

Review current status of overall SNAMP budget for 2011

2) UCST Research Updates (Huber) 1:15-1:30

- Brief summary of work completed and new research findings since last reported in January.
- Including update on new direction for PPT to track SNAMP data use by agencies (Maggi Kelly or Lynn Huntsinger will report).

3) Updates from USFS Ranger Districts (District Rangers/ Reps) 1:30-1:40

- Status of Last Chance and Sugar Pine start date for treatments this year.
- Status of talks with SPI for treatment completion timeframe at both sites.

4) Review of Integration Team (IT) and field trip schedule for 2011 (Kelly or Huntsinger)

1:40-1:50

5) Other?

Open discussion of other topics raised by participants.
