

Sierra Nevada Adaptive Management Project Last Chance Fuels Treatment Field Trip Agenda

September 12th, 2011, 9:00 am to 3:00pm

American River Ranger District office (22830 Foresthill Rd., Foresthill, CA)

Purpose: The field trip to the Last Chance study site will provide the public with an opportunity to see the studied fuels reduction projects in progress and an opportunity for questions and comments.

There will be minimal hiking involved into an active work site, so please wear appropriate clothing and shoes. Hard hats are advisable. We will provide hard hats to those who don't have one. Please bring a sack lunch and water as we will be out in the field during lunch.

Time	What
9:00	Meet at American River Ranger District in Foresthill
9:00 – 9:30	Brief Overview of Field Day and Safety Orientation
