

Announcing our Final Workshop in Marysville
“Tools for Successful Collaboration and Facilitation”

November 13, 2014, 10am to 4pm

Location: Yuba County Office of Education /Preparatory Charter School
1104 E St., Marysville, CA.

Workshop Goals:

To improve collaborative efforts by building facilitation skills in those involved; to share tools to prevent problems and cope with challenges when they arise.

We will hear from a guest speaker, Jim Nelson of Nelson Facilitation, on his facilitation/collaboration experiences.

We will provide time for in-depth practice for the more ‘difficult’ situations the participants are currently encountering.

Who Should Attend?

Anyone interested in improving the success of their collaboration and facilitation skills.

Registration is required and there is a \$15.00 workshop fee. Please register on-line at <http://ucanr.edu/camworkshop/>

For more information please contact Anne Lombardo at amlombardo@ucanr.edu
Hosted by the Sierra Nevada Adaptive Management Project and the University of California Cooperative Extension Outreach team: <http://snamp.cnr.berkeley.edu>
