

Memo: Spotted Owl Research Conference Call
To: All Interested Parties
From: Kim Rodrigues and the UC Science Team
Date: February 16, 2007

NOTICE TO STAKEHOLDERS

A conference call is scheduled for March 2nd at 1PM with Rocky Gutierrez and members of the UCST specifically designed to review the Spotted Owl research associated with the work-plan.

Please join us for this discussion by calling:

Dial in: 1-877-221-1900
Passcode: 8962143

Kim Rodrigues, UCCE, will facilitate the discussion. John Battles will provide an update on the current funding support and associated timeline for implementation.

We hope you will be able to participate. Please check the website for further updates and the possibility of a net meeting – <http://snamp.cnr.berkeley.edu>.

Regards,

Kim Rodrigues and the UC Science Team
